

Gwernan Lake Hotel

A small friendly hotel right beside Gwernan Lake. There is a good choice of meals and snacks and cream teas for the afternoon. It is great for getting refreshment after climbing Cader via the Pony Track or Foxes path, and makes a good stop on the Creggenan Drive. Children are made to feel welcome. You can sit inside with a warm fire in the winter, or outside in summer with a view over the lake.

Access:

See the map for the ascent of Cader by the pony track. The lake is shown and the hotel is right by the lake.
