

Twywn

Twywn has two good supermarkets, the larger is the co-op and there is a smaller Spar near the station end of the High Street. You can park at the end of town nearer to Dolgellau - just follow the signs. You can also park in the car park for the swimming pool. If you use the pool you do not need to pay the charge - read the notice or ask at the pool. There is a cinema (01654 710260) and indian and chinese take-aways. There are cashpoints and an information centre now relocated in the library.

The town has a pleasant if slightly shingly beach with a promenade and some amusements.

There is much extra on the town at www.bbc.co.uk/wales/northwest/sites/tywyn/
